2.Remove Access

Getting Values not Able to see the Fields With proper names-----

The screenshot shows a web application interface for managing assessment templates. On the left, there are two dropdown menus: 'Masters' and 'Compliance Department'. The main header is 'Assessment Template Remove Access'. Below it, there is a 'Select Assessment Template' dropdown menu with 'BHarath' selected. A table displays a list of assessment templates with columns: 'Assessment Provi...', 'User id', 'Firstname', 'Access Permissions', 'Grant User Permissi...', 'Entity Master Name', 'Unit location Master...', and 'Assessment name'. The table has two rows of data. At the bottom, there is another dropdown menu labeled 'Activity Workgroup Creation (cc)'.

Assessment Provi...	User id	Firstname	Access Permissions	Grant User Permissi...	Entity Master Name	Unit location Master...	Assessment name
1	2	Vishnu Vardhan	1	1	Neemus Software S...	Hyderabad	BHarath
2	1	Administrator	1,2	1	Neemus Software S...	Hyderabad	BHarath

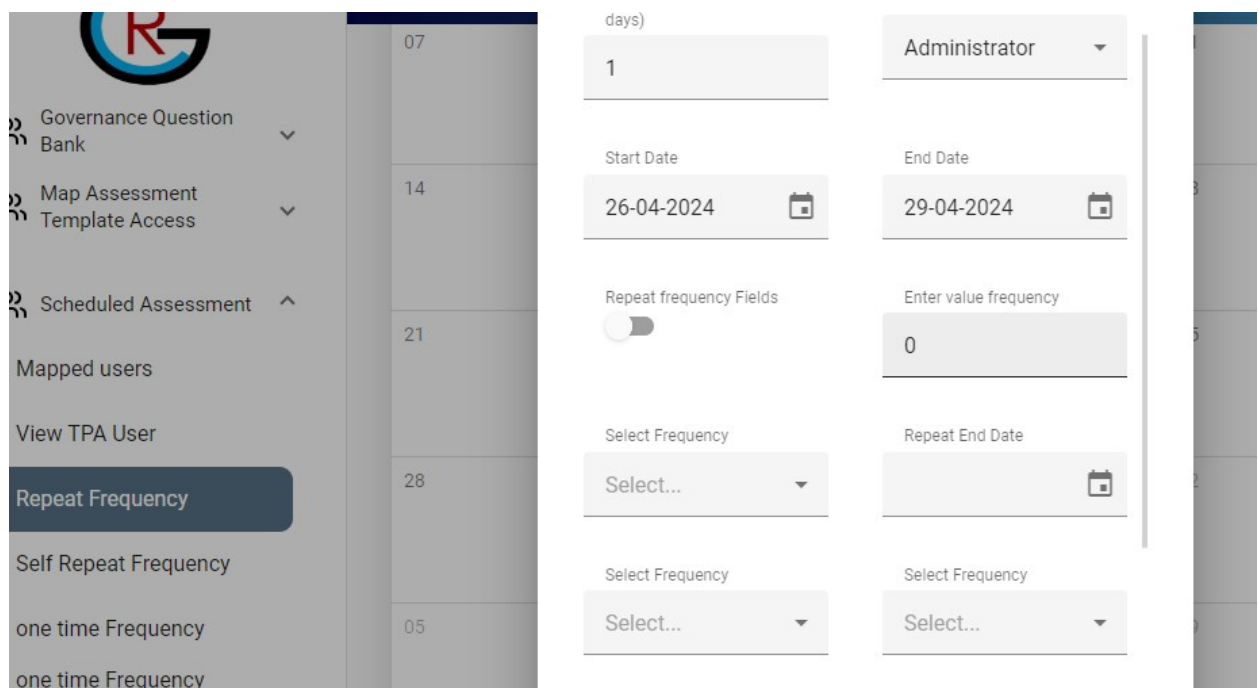

Reload the component After Removing or Updating the Access-----

14.Scheduled Assessment

1. Repeat Frequency

Header In braces (Internal -----I Should be capital)

If onces Toggles is checked fields parameters Are fetching but when toggle is unchecked Still Fields Are Visible

The screenshot shows a configuration form for 'Repeat Frequency'. On the left, there is a sidebar with a menu containing 'Governance Question Bank', 'Map Assessment Template Access', 'Scheduled Assessment', 'Mapped users', 'View TPA User', 'Repeat Frequency' (highlighted), 'Self Repeat Frequency', 'one time Frequency', and 'one time Frequency'. The main form area has several fields: 'days)' with a value of '1', 'Administrator' as a dropdown, 'Start Date' as '26-04-2024' with a calendar icon, 'End Date' as '29-04-2024' with a calendar icon, 'Repeat frequency Fields' as a toggle switch, 'Enter value frequency' as '0', 'Select Frequency' as a dropdown menu, 'Repeat End Date' with a calendar icon, and another 'Select Frequency' dropdown menu at the bottom.

When I click on the cancel button Schedule is closing but Still the Next Button is visible . Still I fill tha Details to Scheduled Assessment is Done then only Button Should visible
